Course Description:

The state requires a four-hour training for individuals to serve as a substitute teacher. Northeast Georgia RESA offers trainings that will qualify an individual to serve as substitute in the following systems:

Clarke	Elbert	Jackson	Madison	Oconee	Walton
Commerce	Greene	Jefferson	Morgan	Oglethorpe	Rutland Academy

Individuals wishing to substitute in a system not listed above are advised to contact that systems to confirm that they will accept the Northeast Georgia RESA training.

It is the participant's responsibility to complete the application process with the system or systems they wish to work with. This includes completing an application, references, and fingerprinting/background check. In addition participants should confirm with the system(s) the minimum educational requirement for substitutes.

Participants may bring snacks and water/drinks. Coffee will be provided. Vending machines are available on site, but change is not. Bringing a small three-ring binder is suggested, but not required.

Substitutes must complete the entire training, so please arrive early as the course begins promptly. Individuals arriving more than **ten** minutes after the starting time will not be admitted and will need to register for another workshop.

For more information contact Lindsay Burnley at lindsay.burnley@negaresa.org or 706-742-8292 ext. 201
