Public Participation at Board Meetings

Date Adopted: February 23, 2010
Last Revised: November 4, 2021

All meetings of the Board of Control are open to the public except as provided by law. Although these meetings are not meetings of the public, the public is invited to attend all meetings and are invited to address the Board at all regular meetings at the time shown on the agenda in accordance with procedures established by the Board and the Executive Director.

To ensure a hearing at a particular meeting, a 24-hour advance notice of the meeting shall be given to the Board secretary and that the Chair shall have the discretion to limit the length of time for individual comments and the number of citizens speaking. If advance notice is not received, the Board reserves the right to approve and limit the time of each participant.

Public comments are intended for the Board to hear comments or concerns without taking action. Unless an extension of time is granted, the public comments may not exceed three (3) minutes. Time cannot be shared or passed to other citizens.

The Board chairperson, or other presiding officer, shall be responsible for calling on all speakers, for maintaining order, for adhering to the time limits set, and has the authority to terminate the remarks of any individual when he/she does not adhere to the rules and guidelines established. Criticism of RESA personnel is not appropriate at public meetings.
