

TKES and LKES Initial Credentialing Training

Statewide Virtual Trainings

Below are the statewide initial credentialing trainings that will be offered for district and school leaders who use TKES and LKES to support and evaluate full and part-time teachers and leaders. The registration links allow leaders to register for upcoming trainings.

Important

1. Teachers attending will need the permission of their district to attend these trainings.
2. All participants must be added to the district staff list in the Georgia evaluation platform.
